”A-Z Product Solutions for Trade and Industry”

Code: GX-2009-KIT

This Pocketable Multi-Gas Detector kit is manufactured by RIKEN KEIKI in Japan.

It is configured to detect the presence of all combustible gases (methane as standard), Oxygen, Hydrogen Sulphide , and Carbon Monoxide which makes it ideal for use in the Telecom sector where access to confined spaces such as a manhole is regularly needed.

The Calibration interval is 6 months and All Trades MFG are certified to provide this service at your request.

If you are looking for an economical, high quality product for your gas detection requirements then this unit ticks all the boxes.

The complete kit includes the GX2009 Monitor, 240V charger, 12Vdc charger, manual Aspirator and Probe, Sturdy Carry Case with Foam Inserts and user manual.

Individual components can be purchased separately, please call our office for pricing if needed.

\$745.00 plus GST
