

## **POLE TOP RESCUE KIT**

Our pole top rescue kit has been compiled with the assistance of some of Australia's leading power authorities to establish a reliable solution in this area.

The kit is comprised of the following items...( contents sticker to inside lid of box )

1 off ; Bright orange powder coated steel carry box c/w hinged lid with rubber seal and chain keepers, and clearly signed "Pole Top Rescue Kit" on the lid.

1 off ; 24m x 16mm Sisal ( natural fibre helps avoid arcing hazard ) rope assembly c/w double action snap hook to one end. The other end of the rope is spliced back to prevent fraying. Red dye has been applied to the rope end for easy identification.

1 off ; Rescue waist belt – orange in colour

1 off; Knife and pouch

1 off; Pliers and pouch

1 off; Webbing cutter

1 off; Descender Link c/w webbing strap

1 pair; Class 00 Electrical Gloves and bag
