“A-Z Product Solutions for Trade and Industry”

NUPLA 1kV INSULATED DIGGING AND STRIKING TOOLS

The NUPLA range of 1kV insulated digging and striking tools are the industry standard for field technicians working around hazardous sites where buried and unseen essential electrical services are located.

All Non Conductive tools undergo 100% testing at 10kV which meets or exceeds IEC and ASTM standards.

Each tool carries a unique serial number which is permanently registered at NUPLA for traceability.

These tools are perfect for utility, rail, highway and electrical jobs.

Call our office for further details or a complete catalogue if required.
