Whether your requirements are for signs, bollards, guardrail, civil works, line marking, engineering, a custom job, or all of the above, Roadside Services is the solution you need.

SupaGrip SafeKerb Ramp

Product

The SupaGrip SafeKerb Ramp provides a safe means for wheelchair and pushchair users to reach the next level when a footpath has been closed for street works.

It can also provide easy access for sack trucks; wheelie bins etc. up to 350kg.

Complies with: AS 1428:1 Design for Access & Mobility

Features

- Complies and exceeds the 'Wheel Chair Boarding Ramp Specification', the 'Safety at Street works, Code of Practice' and the 'Disability Discrimination Act'.
- Effective anti-slip surface and raised sides.
- Adapts to varying kerb or step heights (60mm to 160mm).
- Recommended to be bolted down for maximum stability and security.
- Can be used as an access for wheelchairs, pushchairs, mobility scooters, sack trucks, wheelie bins etc., up to 350kg.
- Made from High-density polyethylene (HDPE).
- 100% recyclable.
- Compact stacking for easy transport & storage.
